

2019 Tournament Recap

SUPPORTING ONE MISSION

MILESTONE YEAR!

Congratulations! We are pleased to announce that the Big Game Battle raised \$175,000 to help the children and families of One Mission. This was a milestone year for our tournament. Since 2012, we have raised over 1.1 million dollars for various charities throughout New England.

This would not be possible without the support of our sponsors, staff, captain's, crews, and the Nantucket Boat Basin. Thank you!

Ari, Ashley, and Nicholas Haseotes

See you next year!

Dear Big Game Battle Family,

On behalf of One Mission, Ari and I would like to take a moment to express our humblest gratitude for the outpouring of love and support you all gave One Mission. We are absolutely blown away by the emotional and financial generosity shown by each and every one of you; we will never be able to find the words to properly convey our thanks.

The impact that the money raised from the Big Game Battle tournament will have on the patients and families we serve is beyond measurement. The trauma of cancer runs deep, but so does the effect of our programs and services. Programs such as our Welcome Bags for newly diagnosed families in crisis provide not only emergency essentials, but a small breath of relief and comfort in one of the most nerve-wracking and tumultuous moments of their lives. Our Treasure Chest program allows patients to pick out a special toy after painful procedures, giving them a happy distraction and incentive to look forward to. The One Mission Resource Room at Boston Children's Hospital is more than just a home base for our programs; it is a haven for patients, siblings and parents to escape and temporarily forget about their troubles through fun, distraction, and smiles.

Because of your generosity, important programs such as these, and many more, will continue to thrive. To the O'Neill family, the Tournament Committee, the participants and everyone who supported One Mission throughout this meaningful tournament; thank you from the bottom of our hearts. We simply cannot express the depth of our appreciation.

With gratitude,

Ari & Ashley Haseotes
